

Parks & Recreation
3500 South Rural Road
(480) 350-5200

This practical, how-to course explores general money management concepts, surveys the investment and insurance choices people are faced with, and focuses on the importance of planning for financial success.

Topics such as maximizing income, diversifying investments, minimizing taxes and counteracting the negative affects of inflation will be examined. This class is intended for people in the 20-40 year old age group. A \$20 text book fee will be collected at the first class; couples may share one text book. Fee: \$25

GSMA-1D Adult Tues. 10/10, 17, & 24 6:30-9:30 PM
